### Travel to Canada

**Passport Required:** Travel on these tours requires a valid passport. Passports should be valid for six months beyond your return date. While on tour the safety of your passport is your responsibility. Always keep your passport with you, not in your luggage. It is recommended that you keep two copies of your passport; one with you on tour in a separate location from the actual passport and one at home where someone can access it if necessary. Your passport will be needed at airport ticket counters, border crossings, immigration and customs.

**Currency:** The unit of currency in Canada is the Canadian dollar. Currency exchange rates fluctuate on a daily basis. A helpful website for referencing current rates is [www.oanda.com](http://www.oanda.com). The US dollar can often be used in Canada but you may receive Canadian currency as change for these transactions. For this vacation it would be wise to have some Canadian currency for incidental expenses as you travel along.

**Electrical Current:** Canada runs on the same electrical current and uses the same electrical outlets as the United States. You will not need to purchase a converter or adapter for your travels in Canada.

**A Note on Travel to Canada:** Even with a required passport, Canada considers people with certain criminal records as inadmissible. Canada classifies DWI's, DUI's, OWI's, DUAI's, and DWAI's as felonies and automatically considers a person inadmissible if they have one of these on their record. Other offences such as shoplifting, theft, or assault can bar entry even if committed decades ago. More information can be found at [www.cbsa-asfc.gc.ca](http://www.cbsa-asfc.gc.ca) or contact a lawyer. Holiday Vacations does not accept any responsibility for losses or expenses due to inadmissibility or an individual's legal status.
