## WEATHER & DESTINATION SPECIFIC INFORMATION

**Time Zone:** This tour's destinations are 6 hours ahead of the U.S. Eastern Time Zone and 7 hours ahead of the U.S. Central Time Zone.

Weather: Average High/Low

City	Sept.	Oct.
Bratislava, Slovakia	70°F/54°F	59°F/42°F
Budapest, Hungary	71°F/54°F	59°F/43°F
Passau, Germany	67°F/51°F	60°F/41°F
Prague, Czech Republic	68°F/52°F	54°F/39°F
Vienna, Austria	69°F/54°F	60°F/48°F

**Accommodations:** Hotel accommodations have been carefully selected and inspected to meet and maintain the standards of comfort, cleanliness, and customer service that we require, and you deserve. Please note air conditioning is not a standard feature in European hotels and restaurants. Those that offer air conditioning may not produce the amount of cool air that you are accustomed to at home. Additionally, room size, amenities, and configurations will vary from the United States. The hotels do not provide king-size beds. Queen-size beds consist of two single beds pushed together. Some hotels may have coffee makers, hair dryers, irons, and ironing boards available. Amadeus cabin amenities include an in-room safe and hair dryer.

**Amadeus Audio System:** All shore excursions include the use of a Quietvox easy to use wireless Amadeus Audio System. The receiver can be worn around the neck and the headphones allow you to hear your tour guide's explanations.

**Currency:** Currency in the countries through which you travel:

- Austria – Euro (EUR)
- Czech Republic – Czech crown (CZK)
- Germany – Euro (EUR)
- Hungary – Hungarian forint (HUF)
- Slovakia – Euro (EUR)

Though currency differs in the various countries, Euros are also accepted in Czech Republic and Hungary. Currency exchange rates fluctuate on a daily basis. A helpful website for referencing current rates is [www.oanda.com](http://www.oanda.com).

**Cruise Ship Clothing:** There is not a specific dress code aboard the Amadeus fleet but we recommend that you dress smartly for dinner and for special occasions (semi-formal or smart casual). By day and for the shore excursions, we recommend you wear light clothing, comfortable shoes, and a pullover or jacket for cooler evenings. Flat rubber-soled walking shoes are recommended for onboard the riverboat.

**Docking Etiquette:** European river waterways are not large enough to support large docks often making it necessary for riverboats to tie up alongside one another, called "rafting." In order for passengers to disembark in these instances, it is sometimes necessary to walk across other ships in order to reach shore.

**Electrical Current:** The electric current in Europe is 220 volts, 50 cycles. Electric outlets and plugs are different from those in North America. An adapter is required to plug your device into an electrical socket. However, a voltage converter is only required if your device is not compatible with 220 volts. Check the voltage of any device that you are thinking of bringing. If the tag on your device lists 110-220 volts then you will not need a converter. Adapters and converters are available at luggage, department, and electronics stores.

Electricity on board all Amadeus ships is 220 volts, 50 cycles. We suggest using a 2-pin adapter for 110V appliances.

Please note that for safety reasons it is not permitted to use flat irons and similar equipment in the cabins.

**Gratuities Aboard Ship:** It is customary to provide gratuities for your cabin steward, server, and cocktail server. A suggested gratuity of 13 Euros per person per day can be added to your shipboard account to cover all relevant staff members. Should the service either exceed or not meet your expectations, you may request to adjust this amount at the end of the cruise.

**Internet Aboard Ship:** As part of your cruise package, Holiday Vacations has included wireless Internet connection. Please be aware that the Internet connection on board may be weaker in particular areas and will not be up to the standard of a hotel Internet connection. Failures in these onboard systems may occur. Internet reception is poor while transiting the locks and may not be available in certain locations along the route.

**Laundry Aboard Ship:** Valet laundry service and ironing service is available onboard the riverboat for a fee. Travel irons are not allowed in staterooms. Dry cleaning is not available onboard.

**Meals on Your Own:** The suggested gratuity for wait staff serving non-included meals is approximately 10%.

**Money Aboard Ship:** The pricing for purchases aboard the vessel is in Euros. You will sign for your purchases, then settle your shipboard account in Euros with one convenient transaction at the end of the cruise whether by cash or credit card at the ship's reception desk. Visa, MasterCard, and American Express credit cards are accepted on the ship to settle your account. These credit cards are also generally accepted while in ports. If using cash for your onboard account, a deposit will be required.

**Phones Aboard Ship:** Mobile phone coverage is intermittent aboard the ship. Holiday Vacations recommends that you inquire about your provider's accessibility and rates prior to departure. Your relatives and friends may contact you aboard the cruise ship by calling 011-43-664-812-9210 for the Amadeus Silver III. They will need to have a credit card, the ship name, and your name available when making the call. MasterCard, and Visa are accepted.

**Souvenirs:** The following is a list of souvenirs travelers often like to bring back:

Czech Republic:

- Czech glass and crystal
- Garnet jewelry
- Czech puppets & marionettes
- Czech textile folk

art Germany:

- Woodcarvings
- Cuckoo clocks
- Beer steins
- Hummel figurines
- Alpine hats and

clothing Hungary:

- Linens
- Hungarian embroidery, porcelain, and dolls in traditional costume
- Paprika
- Palinka or fruit brandy
- Potter

y Austria

- Swarovski Crystal
- Edelweiss decorations
- Slippers, jackets, handbags, and Austrian hunter

hat Slovakia

- Cornhusk ornaments
- Ceramics

**Smoking Aboard Ship:** Smoking (including e-cigarettes) is only allowed in designated areas aboard ship.

**Water Level:** Fortunately, changes in water levels rarely occur. If water levels are too high or too low, the cruise company may require adjustments to the itinerary or by using motorcoach travel between cities.
