*Hawaiian Islands*  
Land & Cruise

This was my first time to the Islands. My husband thought that this cruise/vacation would probably give me a good taste of each island. He was so right! A trip of a lifetime actually! This trip will remain in my mind and heart forever. I couldn't think, plan, or dream of a better way to celebrate our 11th wedding anniversary. Thank you Holiday! – Elizabeth C.

## WHERE WILL YOUR NEXT ADVENTURE BE?

### *Land of Aloha*

**Thank you for your interest in our 11-day fully guided  
Hawaiian Islands Land & Cruise vacation.**

Join us for an amazing cruise through the Pacific Ocean to visit four remarkable Hawaiian Islands: Oahu, Maui, the Big Island, and Kauai. Strike the perfect balance of relaxation and adventure within this stunning oasis of lush green mountains and tranquil, clear blue ocean waters. Hawaii is one of the most spellbinding destinations on Earth, packed with breathtaking natural wonders and rich culture. Indulge in the flavors of Native Hawaiian cuisine, such as pork cooked in an earth oven, and sip a refreshing tropical drink while sinking your toes into some of the world's softest sands. Every island boasts unique highlights, and you have the opportunity to experience the best attractions on each.

Receive a traditional flower lei greeting as you begin your adventure on Oahu, where you can walk along the world-famous Waikiki Beach and pay respects at Pearl Harbor National Memorial. Next, discover why Maui is called the Valley Isle while exploring its distinctive terrain of expansive flatland nestled between two large mountain ranges. Then, visit the Big Island and see its top natural attraction, Hawaii Volcanoes National Park, to take in jaw-dropping landscapes of lava fields, craters, ash-covered deserts, and the rugged coastline. Our journey concludes on Kauai with a traditional luau, featuring the captivating sounds of drums, chants, and songs of Polynesia! There's ample time at leisure throughout to curate your own adventures or simply relax on the pristine beaches.

## Luau Kalamaku at Kilohana Plantation

This estate dates back to 1864 when Gaylord Wilcox began growing sugar cane in the midst of Hawaii's sugar boom. He built Kauai's first mansion in the early 1900s, which has been immaculately preserved. Enjoy a stroll through the tropical gardens before witnessing a customary imu ceremony, followed by a delicious dinner with drinks and dessert. Our night concludes with an authentic luau performance that transports us back to ancient Polynesia while telling the story of those who voyaged from Tahiti to Kauai. The high-energy show includes authentic costumes, hula dancers, chants, and a fire-knife routine!

A traditional lei greeting welcomes us to the Islands of Aloha. We check in to our beautiful hotel for the next two nights, nestled along the white sands of Waikiki Beach with views of Diamond Head crater. Enjoy soaking up the warm Hawaiian breeze from your private lanai.
